TRD vs SGL

SGL Outclass TRD with Perfect Chase

In a Nutshell

SGL began their chase of 88 in confident fashion, with Niket and Kunal settling in quickly to erase any early pressure. The pair rotated the strike well before shifting gears, stitching together a fluent opening partnership that steadily pushed the required rate down. Kunal's brisk 38 and Niket's composed knock laid the perfect platform, while Manoj added the finishing touches with an unbeaten cameo. TRD's bowlers searched for breakthroughs but failed to break the opening stand, allowing SGL to race to the target in just 10 overs without losing a wicket and complete a dominant 10-wicket victory.

TRD made a steady start in pursuit of 88, with Sabareesh finding an early boundary before Adwaith Sai settled the innings through smart strike rotation. Despite Ajit's disciplined opening spell and Kunal's twin breakthroughs briefly putting SGL on top, TRD refused to lose momentum. Adwaith anchored the chase with a composed 34, while Madhvik accelerated in the latter half, punishing anything loose with a flurry of boundaries. A 21-run seventh over swung the game decisively in TRD's favour, and the pair comfortably guided their side to the target, completing a confident run chase.

In a Nutshell

PSK battled their way to a competitive total of 109, with Ashrith leading the charge through a blistering 67 off just 24 deliveries. After Nitish provided early support, Ashrith took control, peppering the boundary with powerful strokeplay to give PSK the momentum. Once he departed, SWB fought back through disciplined bowling and timely wickets to restrict the late scoring. Sherin added a valuable unbeaten 30 to push the innings past the 100-run mark. In response, SWB's bowlers shared the wickets effectively, with Shwetha, Dushyanth and Anish all making key breakthroughs, ensuring PSK couldn't fully capitalize on their explosive start. Chasing 110, SWB got off to a confident start as Pankaj and Anish built a steady opening partnership, keeping the required rate under control. Even after Anish's dismissal, the momentum never truly shifted, with Pankaj anchoring the innings before Girish produced a breathtaking late assault. Reaching 30 runs from just 8 deliveries, Girish tore into the bowling with a flurry of boundaries, including three consecutive sixes that brought up SWB's 100 in just 7.3 overs. Despite PSK picking up a few wickets through Ashrith and Monika, SWB's aggressive batting ensured they cruised to the target with authority, wrapping up an emphatic victory.
